

# Hydrafacial Keravive Peptide Complex Booster

Made by Hydrafacial

## Benefits

- Cleanses, exfoliates, and hydrates the scalp and hair follicles
- Removes dirt, oil, flakes, dead skin cells and impurities from the surface of the scalp and from hair follicles
- Stimulates scalp circulation
- Infuses the scalp and hair follicles with growth factors and skin proteins to promote the appearance of healthier, thicker, fuller-looking hair

## Ingredients

- Hydrafacial Keravive Peptide Complex: proprietary blend of synthetic growth factors and skin proteins to support the appearance of healthier, fuller-looking hair
- Panthenol, a Vitamin B5 derivative: delivers hair and skin conditioning, humectant, and moisturizing properties
- Arginine: builds keratin and skin collagen proteins
