

# Omorovicza Advanced Skin Renewal

Delivered by Hydrafacial

## Benefits

- A super serum that unlocks skin's youthful vitality with Omorovicza's patented Healing Concentrate, a mineral elixir harnessing naturally occurring minerals of Budapest's thermal waters.
- Combines a highly concentrated dose of the Healing Concentrate with essential vitamins & minerals to renew the skin.
- Provides a deeply rejuvenating treatment to revitalize skin & bring it back to a youthful, healthy glow.

## Ingredients

- Omorovicza's patented Healing Concentrate: Unlocks skin's youthful glow, reducing the signs of aging through Budapest's thermal water, rich in bio-available minerals & trace elements.
- Retinol & Vitamin C: Supports overall skin firmness & elasticity.
- Hyaluronic Acid & Niacinamide: Works to plump skin & smooth texture.
- Amino Acids & Arabinogalactan: Detoxes & oxygenates to help revitalize & renew lackluster skin.
